## BEDE SCHOOL SONG

Here where once Bede's soaring spirit burned  
Alone in Europe's dungeon of decay,  
Here where then the easy yoke was spurned  
And where hard duty lighted up the way,  
Here we inherit that fulfilled renown  
To bear it like a victor's loyal crown.

### *Chorus :*

Let the sword of past endeavour  
Like lightning-force be never sheathed,  
Let it be a vivid symbol  
Of learning, wisdom, truth bequeathed.  
Let it right from baseness sever  
To keep our school in honour wreathed.

We in turn with selfless zeal must yield  
Our sum of gifts to history's quiet store,  
We our Patron's faith must make our shield  
And grip eternal freedoms more and more.  
Culture here with questing may link hands  
To lead our sons where manly virtue stands.

### *Chorus.*

Words by W. K. LEWIS.

Music by J. KIRK.
