You will see that the "warning" re subscriptions in last year's magazine is now fact. The SIp does not even cover the cost of the magazine, let alone postage, and I am sure you could not survive the festive season without the "mag" to comfort you, so - Annual Sub. is now £1 and Life Membership £5.

Will you please let Irene Wilkinson, our Secretary, have your subscriptions for 1986/7 as soon as possible, making it clear to Irene which is your maiden name - if you are married. In the magazine we try to use "school" name first and married name in brackets.

WINTER RE-UNION - January, 1986

Friday, January 31st saw us once again in the Needlework Room in the Annex at Bede School for our Winter Re-Union - all 73 of us.

The idea is to play games for the major part of the evening. Is this merely indulging in nostalgia for the good old days of our girlhood? Robina is very good at devising and organising these activities and January 31st proved no exception. The difference was that we sat down to play each game/puzzle instead of rampaging around looking for chess stuck to the walls. Certainly less wear and tear on the floor of the room but the noise level remained pretty constant, i.e. very high. Were we really as raucous as this as pupils? Never mind - don't we all enjoy it?!

How was our Geography? U.S.A. Version? Arizona, Iowa, Minnesota, Missouri, Virginia - the lot. Aren't word puzzles exciting - and in fascinating. Our table found 27 States in America, but another table beat us - so sweets all round for them.

Next came a beautiful scribble pattern - how many objects could we find to colour? Knife, spoon, corkscrew, wine glass, fork - the list was endless. Meantime the committee members brought in the food which was prepared by a firm called "Something Special". The harebell chins - all provided (and washed up) by the caterers. Full marks all round for the committee's choice.

The evening finished with a raffle in aid of Guild Funds and then a final quiet game - making our own word puzzle in a 5 x 5 square.

All in all it was a very enjoyable evening - made possible by some very hard work on the part of several people. Thank you to them all.

DINNER RE-UNION - 25th April, 1986 AT SEABURN HOTEL

At last, taking heed of many requests, Winnie Scott (Thomas) transposed the School song down a tone and a half (it felt like an octave). The resulting rendition, comfortably within reach for the majority of us for the first time in years, was without doubt the highlight of the evening. Many thanks to Win, our talented pianist; although I feel her efforts were not entirely altruistic for she has yearly cringed at the vain attempts of mezzos and contraltos indomitably try to reach up for that ringing top note.

78 members were welcomed by Kathleen Scott (Bolton) our Chairman and the evening began with the presentation of a Bede plate to Rene Halliday (Drews) as a token of appreciation for many years of work on the Social Service Committee. Rene was obviously thrilled to be given one of these beautifully hand-painted plates, the work of Eileen Ord (Kirkcaldy), the 5th to be presented, and to her thanks added a few remarks. Although she had enjoyed being on the Committee, she now felt that, as she was older than some of the people visited, it was time to retire.

After our customary substantial meal, this year consisting of Northumberland Broth (a meal in itself for some folk) Chicken Marachal with fresh vegetables, followed by Profiteroles with/ior without for one poor soul) chocolate sauce, finishing with coffee and mints. We were quite replete and content to sit back and be entertained.

And we were.

Lizzie the Felswife arrived to chat about life in general and her daughter Paella in particular (and in the vernacular), finishing with a spirited version of "the Lambton Worm". We all, of course, joined in as Lizzie requested. Lizzie retired and in a moment another personality arrived. This charming lady 'Mrs. Bloomsen-toff' had on her arm a lovely wicker basket together with a selection of bits & pieces jammed together in a cardboard box. She was delighted, she said, with our group; the VIBRATIONS were providing her with a 'COSMIC EXPERIENCE' for her demonstration of flower arranging. A beautiful offering from Algernon (her husband) of a bare branch was the focal point and key to her arrangement. Talking animatedly the while, the flowers (dusty and artificial in vivid tones) were hurled from the box towards the branch and casually stuck here & there "falling over to offer themselves to the piece" quoth she. And what now could she do with the stick of celery, and the parsley? she asked. No one, through tears and gales of laughter, was able to offer any possible solution.

The lady and the felswife were both characters created by our dear friend Maricl Dumas who must have been gratified at the response to her sketches by the amused, knowledgeable audience.

Another year, another dinner and another vote of thanks to our committee members for a lovely evening.

THEATRE OUTING - May, 1986

On a quiet Spring evening in May I joined a group of Old Bedans in the Pier Pavilion, South Shields, to enjoy the Westovians presentation of the Rogers & Hare musical "Pal Joey".

For the next two hours we watched with pleasure and tapped our feet as the plot unfolded.

The music was irresistible and the chorus rumbustious. Before the final curtain the audience was "Bewitched". We all voted to go again - soon!

Joyce Plummer (Westwick)

A bonus for you this year, if you wish, see front cover and many thanks to Audrey Henderson for arranging these outings for us.

SUMMER RE-UNION - June, 1984

"Windy it will be, and wet
When Bedans (OLD) together get
And best-laid schemes gang all agley
If buses late or wonky be."

Bearing in mind the old adage, we again made our own way to Ramside Hall, near Durham, which so far has always been there on time.

On a typically unsettled evening 35 members assembled. Some familiar faces were missing, but now that many of us lead such busy retirements, it seems impossible to avoid a clash of dates.

The occasion did present us with a couple of challenges. The first was to our will-power when we inspected the Carvery dishes, the sweets especially were enough to unsettle the most ardent weight watcher! The second came later, with the arrival in "our corner" of a jazz quartet whose decibel output far exceeded ours - no mean feat! By that time, however, we had enjoyed a good evening's matter - or should one say conversation? and since nobody seemed inclined to ask us to dance, we were quite happy to say "au revoir" and make a graceful exit.

Nora Johnson (Wilson)

Some old Bedans admitted enjoying the music and another group moved to another part of the hotel and were still nattering - or conversing - when I left.

SECRETARY'S REPORT 1985/86

There are 449 members in the Guild of which 4 have become life members. There are 6 new members, 3 of whom are life members.

There have been 3 committee meetings and 4 re-unions during the year.

The A.G.M. was held on 27th September, 1985 in the Needlework Room at Bede School. The new Chairman, Kathleen Bolton, took over from Margaret Hunter and Jeanne Francis became Vice Chairman. The programme for the year was discussed.

The Winter Re-union was also held in the Needlework Room on 31st January, 1986. The refreshments were supplied by Joan Harvey of "Something Special". Crockery etc. was supplied and everyone agreed it was very good 75 attended and Robina Lawson kept everyone busy with various games. The raffle was once again for Guild Funds and the proceeds helped towards the cost of the magazine. Thank you everyone who contributed so generously and to all who helped to make this an enjoyable evening.

The Annual Dinner was in the Hilton Suite at the Seaburn Hotel on Friday, April 25th. We were pleased to welcome Old Bedans from out of town and 77 attended. Miss M. Dumes entertained us once again and it was good to hear Old Bedans laughter.

The Summer re-union was at the Rainside Hotel on Tuesday, June 10th, 1986 in the Pemberton Room. Again the number present had increased - 38 this year. This informal re-union is proving popular - but we did not expect the musical accompaniment. We hope to do something about this for 1987!

The Guild were represented at the Annual Prize giving in December at the invitation of the headmaster, Mr. Tait. Mrs. K. Bolton, Miss J. Hayton and Miss I. Wilkinson attended and presented the Old Bedan prize and the Connie Wray cup.

It is nice to be able to report an increase of Old Bedans supporting the re-unions. I hope we see even more next year.

LOAN & SCHOLARSHIP FUND REPORT - 1985

A total of £298.00 was available. £222.00 was distributed to 17 girls going into Higher Education, the scholarships being awarded on a scale according to 'A' level performance from £40 - £8.

One additional award of £20 was made to a girl who had delayed entry to higher education from the previous year.

Two of the recipients of awards this year were girls who are now at Cambridge, Sadie Lowry at Queen's and Gillian Miller at Jesus reading English and Economics respectively. Both girls obtained very creditable examination results, Sadie's including 3 'A' grades.

ANNUAL GENERAL MEETING

The A.G.M. was held on 26th September, 1986 in the Needlework Room at Bede School and 14 were present. Apologies for absence were received from Nell Shiel (Widdrington); Margaret Chapman (Harter); Win Scott (Thomas); Elsie White (Bailey); Marjorie Snowball (Cuddeford); Pat Crudas (Snell); Joan Bowles (Pillans); Lillian Dawson (Dodds); Nora Johnson (Wilson) and Rene Halliday (Downs).

The minutes of the previous A.G.M. were read, adopted and signed. The Secretary gave a report on membership and meetings held during the year.

The Treasurer reported a loss on the year's workings and an increase in subscriptions was suggested. It was agreed the Annual subscription be increased to £1 and Life Membership increased to £5. It was also suggested that long-standing Life Members might like to make a donation.

A "Thank you" card from Mrs. Lily Youngs was read. She has resigned as President of the G.O.B. Association in July when she retired as Deputy Head of Bede School.

The new committee members, Lily Richardson (Lawson); and Doreen Staniforth (Stann) were welcomed and the retiring members of the committee were thanked for their help and support.

The Social Services report was given by Anne Mitchell (Crowe) and the Ligon Branch report from Doreen Ward (Macrae) was read by the Secretary.

It was agreed the School Prize for 1986 should again be £5.

The programme for the coming year was discussed and dates agreed. The minute as before was accepted. Dates for these meetings to be put inside the front cover of the magazine.

The meeting closed with tea and biscuits.

TREASURER'S REPORT

Again I have to report a loss on the year's workings. The loss is £105.20.

Subscriptions both Annual and Life are down as are donation and income from meetings.

The magazine printing was up from £148.50 to £155.00.

SOCIAL SERVICE REPORT - September, 1986

The Committee have met 3 times again this year - at the homes of members to whom we are grateful for the hospitality shown and the coffee provided. We have made our usual cash donations of £10 at Christmas; £30 at Easter and £20/£15 at Harvest time to our remaining 5 recipients.

We are grateful to those who have given so generously when we've had a collecting box at the Winter Re-union and the Dinner. Once again I had the pleasure of taking a small gift of sweets to Mrs. Chapman (Margaret's mother) who was 100 years old in December. In the letter of thanks which we received, via Margaret, we learned that Mrs. Eldridge (our other centenarian) and her daughter Kathleen Muir had also sent a card. It must surely be a unique occasion for 2 centenarians to greet each other like this. Best wishes to you both!

We had a suggestion from the Guild committee meeting that maybe we should think in terms of adopting a charity each year and be seen to be doing good along these lines. It was agreed to ask Elsie Hooker and Elsie Kirkwood - founder members of the Committee what the original aims of the Social Service Committee had been. Elsie Hooker remembered that it was to be person to person contact and the visit being as important as the gift. Elsie Kirkwood wrote at length and here I quote: "Originally the Committee was formed to help school children in need during the years of the depression - the late twenties and early thirties. Quite a number of us who were teaching at the time saw the poverty suffered by the children. In those days there was nothing like the different Government Departments who now help destitute folk. The Committee was formed quite soon after the formation of the Guild of Old Bedans in 1928. We met 2 or 3 times a year. After collecting good second hand clothing and buying new clothing (money for this was raised by having fund raising events - quite big affairs), and these were distributed among teachers who saw that the needy children got a share. During the winter months, we gave, on Saturday afternoons, parties for 50 - 100 children in different parts of the town. In the summer we organised a picnic in Bede School grounds for 100 poor children - it was generally my job to escort the children to Bede in a tram car. They always had a good tea with ice cream etc. and a present to bring home.

When war broke out in 1939, we turned our attention to the armed forces and members did a lot of knitting. After the war we felt that the children were being cared for more adequately but that the old folk were neglected, so our efforts turned towards them". Thank you Elsie for that useful information.

The Committee decided to continue helping our 5 old folk and to reconsider our position when they no longer needed our help.

Thanks are due to the faithful band of Canasta players who provide the bulk of our income and enjoy very pleasant evenings and gorgeous suppers during the winter months. Thanks, too, to all of you who remember our existence and send donations and also to our "adopted" member Gladys Stewart's (Sidney) sister Ethel, who this year presented us with a beautiful cake to raffle.

Anne Mitchell (Crose)

THE LONDON BRANCH

The lunch-parties in October '85 and May '86 were a great success as usual - I was hostess in October and Nancy Lawther (Hubicka) in May.

Several of our most loyal members were absent due to holidays, illness, imminent arrival of a grandchild etc. Abee Kilburn (Waldron) announced her intention to emigrate to Spain - we miss her lively conversation and are hoping for a card to say she has settled down happily.

Despite the many times we have met, we still find talk about school personalities and events entertaining. Our new members reminiscences intrigue us and we amuse them with stories of "Bedou - life in the olden days"!

We used to meet, together with children, for a picnic in St. James Park but are not considering starting again with our grandchildren.

Doreen Ward (Macrae)

NEWS

It was nice to hear via Laura Milburne that Jessie Ross (Pickard) is still actively occupied with knitting, embroidery and reading at home in Bayleigh, Essex. Good wishes were received from Elsie Garrick (Smith) from Woodhall Spa, Lincs and from nearer home from Florence Mowbray (Crompton).

We were pleased to hear that Miss Orme is well on the way to recovery after a particularly gruelling eye operation to remove a cataract. "The surgeon began the operation - under a local anaesthetic - while she was 'still alive to every incision of needle and scalpel'. Once having begun it could not be stopped without danger to sight so "I had to suffer the entire performance without an alleviation of pain". We hope the end result has more than compensated.

Apologies for including this "special" news of a grandchild - in fact Gladys Stewart - (Sidney's) grandson was married in Westminster Abbey just a few weeks before the Royal Wedding. He married the daughter of Lt. General Sir Henry Leake and had Howard Elsey (Rita Sherriff's son) & Francis Robinson (Mary Arkless' son) as best man and groomsmen. The three young men were in the same year at Bede. Gladys and her family had a wonderful day.

Miss French who taught Art at Bede is now in an old peoples home, where we hope she is happy and comfortable. May Emberton (Hyam) has been telling people about the North East - and saying it with flowers. May, National teacher & demonstrator in the art of Ikebana has been presented with a Career Award by Metro Radio presenter Steve Colman. She also helped decorate the Washington Development Corporation Headquarters for the crucial Nissan talks and was chosen to represent the North East at the exhibition of Japanese floral art in the Royal Festival Hall, London.

Norah Johnson (Wilson), on attending Hartlepool Ladies Cricket celebration of the National Association's Golden Jubilee, found that the guest speaker was Hilda Andrews (Moore) - a former National President.

Margaret Langham is present Lady Captain of Bolton Golf Club. Elsie Gray (Beall) won a Metro car in the Sava Centre competition to guess the number of packets of tea bags in the car on display.

Brenda Jones (Lord) was to visit her daughter in Brisbane, Australia. Let's have some news of your visit Brenda.

Jean Alexander (Clarke) wrote to tell us of her aunt Isobel Alexander's death in July this year. Isobel - who was at Bede 1918-27 eventually taught English at Duchess School, Alnwick and later became Headmistress at Halsmere Grammar School for Girls until her retirement to Broad Campden where she spent many happy years.

Elsie Davison (Kirkwood) still keeps in touch with us, writing long newsy letters and never forgetting her G.O.B. roses and her memories of school and school friends.

Elsie Wilson (Hooker) was having lunch with Bessie Peake and Doris Creighton at Rosalidkirk when in walked Phyllis Peters and Lena Thompson. You can imagine the scene that followed to the amazement and amusement of the other 'diners'.

Effie Crowe who lives at Newbiggin in Teasdale is Deputy Organist at St. Mary's in Middleton in Teasdale.

Isobel Caldwell was awarded the second prize for the best attended front garden in Gourcock, where she lives.

Margaret Henderson (Howe) has taken up Hot Air Ballooning and is a member of the Ballooning Team of the Legal & General Assurance Company where she works. At a sponsorship meeting she persuaded her mother Audrey (Hudson) and her father to climb into the basket for a short ride - on a tether. Quite an experience - says Audrey!

MEETINGS

Please to hear that Moira Cuddeford's (Dixon) crowd are still having a mini re-union in Fulwell each July. This year their fourth get together - took the form of a Faith Supper with the addition of wine and later coffee and saw a gathering including Margaret Laidlaw, Dorothy Cockburn (Dugdale), Moira, Jane Cowell (Wharton), Jane Swift (Burlinson), Enid Noble, Barbra Swift (Broderick), Avril Trembath (Swift), Dorothy Sutton, Irene Sweeting (Jenkins) and Audrey Swan (Richardson). The usual invitation to anyone in that year or thereabouts who would like to join them to please contact any of them around June, 1987.

Winnie Knapper (Lonsdale) met Olga Phaup at the wedding of Marjorie Walker's (Smith) daughter in the Cotswolds.

A phone call from Margaret Cairns (Bowmaker) to Elizabeth Rowlandson (Longster) resulted in Margaret joining the G.O.B. and attending the Winter Re-union.

Helen Allinson (Impert) whilst in West Hartlepool on holiday "popped over" to Sunderland to visit Pam Smart (Reah) and also paid a visit to Washington to see Carol Pallas (Wilson). Helen's home is in Merley, Wimborne, Dorset.

Marjorie Jackson (SUGDEN) had a brief encounter with Doris Miller in Bines lift. Dulcie Steel (McBeth) has seen Hilda Hossason (?) who now lives in Harrogate.

NEWS FROM ABROAD

A few words from Dorothy Morrison (Peterson) from Denmark:- "At last I was in Sunderland again - with a Danish girl friend - staying in Harrington with Joan Marshall (St. Julien) and her husband. The years just fell away and how we talked. An invitation to lunch from Grace Turner (Ayton), we "girls" plus Mary Priestman (Fenton), Florrie Watson (Charlesworth) hadn't seen Grace, Mary or Florrie since leaving Bede (before the Second World War). The chatter, laughter and "Do you remember". (Grace's husband had prudently gone fishing!) Lunch merged into tea and still we talked. Then a chance meeting with Margaret Cairns (Bowmaker) in a car park and, on our last evening Elizabeth Longster (Bessie Rowlandson) came for a snack and, of course, more chat. How lovely it all was, not forgetting the large lump in my throat seeing Bede again, when driving down Hamblidon Hill. I have warned Joan that I'll be back in the not too distant future and who knows maybe one day I'll make an Old Bedan meeting. Here's hoping."

Thank you for your letter and good wishes to us all, I hope to see you next time.

A.C.

Margaret Dockray (Stewart) is still living in Sharjah United Arab Emirates, where she recently acquired a small international nursery school where she's been helping for the past year or two.

HOMES OF OLD BEDANS (not BEANS - like last year)

Marion Brown lives in Braille, Nr. Banbury. Gwen Marley (Chesman) from Gigglesworth, N. Yorks. heeded my warning re rising subs. and became a Life Member. I hope lots of others did too. Belle Eaton (Hutchinson) has moved to Fife to be near her son. Audrey Jordan moved to Catton, near Hexham last year.

DEATHS: Miss Gibbons died in 1985 - I am sorry this news was not known at the time of going to print last year. Of her Miss Orme says "she kept a sense of humour, she was everybody's kind friend and highly intelligent". (Miss Gibbons succeeded Miss Ewart as Secretary of the School). Dorothy Raine.

Nellie Stephenson (Scott).
Isobel Alexander.

It is with sadness that we announce the death of Florence Bruce (Elldridge) at the age of 101 1/2 years. Our Sympathy goes to her daughter Kathleen Main, who cared for her to the end.

Also Hilda Ward (Madison)

MARRIAGES

BIRTHS

RETIREMENTS: Ann Akal (Hyam) is enjoying (since 1985) early retirement from her tough Leeds Comprehensive School. Mrs. Youngs - President of the Guild - was pleased to retire early this summer and we thank her for her help and interest, particularly to those of us who attended Bode Speech Days. Do keep in touch with the Guild.

Dorreen Simen (Stanisforth) has had to take early retirement from her post as PT Lecturer in English & Communication, teaching students from 16 to 70 years. Mary Brydon has retired from her post at Thornhill School.

EDITORIAL COMMENTS

Once again I thank you for all the "snippets" which have come my way, directly or through Irene or the committee. I apologise to anyone who has given me "verbal" news which I fully intended to use, and then my memory plays me up and your news is omitted. To those who relieve me of the burden of 'reporting' on our actual meetings during the year - I say a special thank you, too.

Also, thanks to Mr. Scott who audits the Accounts for us and to Dorothy Cockburn (Dagdale) for typing all the copy for me, making my part in producing the magazine easier. Also, to Irene who provides all the information re committee meetings etc. and the A.G.M.

Our sympathy to those who have been bereaved during the year and to those who are ill - get well soon and to you all God Bless you and have a Happy New Year and please keep writing.
